

# LIME ACADEMY WATERGALL NEWS

## Message from the Headteacher

Dear parents and carers,

This week, children have been completing their end of term assessments in reading and maths. This enables us to track progress and put in place support should anyone need it. Children have shown an excellent attitude towards the tests and I would like to thank them all for their engagement.

In addition, staff have been busy planning eSafety lessons for their classes, following up on the excellent eSafety day last week. If you missed the parent presentation last week, then please contact the school office to get your copy. It is vital that we all work together to keep children safe online.

Year 5 have included some fantastic photos from their trip to the National Space Centre last week. Thanks to the team for organising such a worthwhile trip.

I wish you all a good weekend.

Mr Reynolds  
Interim Headteacher

### EVENTS AND VISITS

5 <sup>th</sup> December	4LR Sharing Assembly 10.30
7 <sup>th</sup> December	1AT Sharing Assembly
14 <sup>th</sup> and 15 <sup>th</sup> December	EYFS Nativity 2pm

## New School Website

We are proud to have launched the new school website. Please take a look for the latest news and events. The web address is [limeacademywatergall.london](http://limeacademywatergall.london)

## LAST DAY OF TERM

The last day of term is Tuesday 19<sup>th</sup> December, on this day we will finish school at 1.30pm

## Who talk to if you have a concern about your child?

If you have a concern regarding your child please speak to the class teacher in the first instance. It is important that we work together on any issues raised and in most cases these can be solved in meetings with the class teacher.

## Message from the Deputy Headteacher

Dear Parents and Carers,

This week we have been taking part in PIRA and PUMA assessments. I have been really impressed with the effort and determination the children have shown, producing work to the best of their abilities.

Year 2 carried out a wonderful class assembly on Thursday. They have clearly been working very hard on putting this together – well done!

Finally, I would like to take this opportunity to apologise for any inconvenience caused by changing the route the children take to enter the school building this morning. We have taken on board all comments received this morning, unfortunately a quick decision had to be made due to the extremely icy playground and we had to prioritise the safety of the children.

I hope that you have a restful weekend.

Best wishes,  
Ellie Metcalf

### News from Year 5

On Monday, fifty-two Year 5 children visited the fantastic National Space Centre (N.S.C.) in Leicester to supplement their learning about Earth and space. The children had the opportunity to watch a film about Astronauts in the largest planetarium in the country, experience what it would be like to land on Venus, how to train, live and survive in Space and how to train the Mars Rover. All in all, the children had a brilliant time and particularly enjoyed the Mars Rover Challenge. Back in school, our trip and the enjoyment and enthusiasm it created has inspired us to write some super recounts of our adventure. Check out our class photos! 5MH are posing outside the N.S.C. and 5RC are posing inside the Challenger Command Centre.

**When you are booking routine dentist and doctor's appointments for your children please book these for the end of the school day where possible. Taking a child out of lessons during the day interrupts learning and can affect the progress they make.**
