

LIME ACADEMY WATERGALL NEWS

Message from the Headteacher

Dear parents and carers,

Thank you so much for your attendance at the parent consultations this week. I am delighted to say that 93% of parents and carers attended the event. The feedback has been overwhelmingly positive and I am thrilled that we have managed to streamline the booking process this year by using our new online system. Those of you that did not manage to book an appointment will be contacted by your child's class teacher to make a separate appointment.

It has become apparent that some children are still not bringing their correct uniform or PE kit when it is needed. Please make sure that your child has this as it can prevent them from taking part in PE lessons.

Next week, we have our annual eSafety day, where pupil, staff and parent workshops will run to educate us on the latest developments in online safety. I would strongly encourage all parents to attend this important event as it will give you a much better understanding of how to keep your child safe online. The parent workshop is at 4:30pm on Wednesday 22nd November. Please arrive at the school office at 4:25pm for a prompt start.

I wish you all a good weekend.

Mr Reynolds
Interim Headteacher

Message from the Deputy Headteacher

Dear Parents and Carers,

What a busy and exciting week this has been! I would like to take this opportunity to thank all parents/carers who attended Parent Consultations on Wednesday. This is an excellent way for parents/carers and teachers to celebrate the children's work and discuss how to support them best both in school and at home. The children were delighted to welcome Leonardo Da Silva Lopes, who plays as a central midfielder for Peterborough United, into our whole school Monday assembly. We were very excited to have our picture taken with him and we laughed lots when Peter Burrow (the club's mascot) greeted and danced for us. Finally, it was a pleasure to see so many children dress up for Children in Need. A big thank you for all the donations received! These donations will be given to Children in Need who have worked hard to raise money in order to help make a difference to the lives of disadvantaged children and young people across the UK. I hope that you have an enjoyable and relaxing weekend.

Best wishes,
Ellie Metcalf

CLASS NEWS FROM YEAR 6

This week Year 6 have aimed to become top scientists with their learning about light. We have had lots of fun conducting experiments to help us explore light. We learnt that light travels in straight lines, light bounces off objects and how shadows are formed. In the next few weeks, we will continue to explore light. If you see us, ask us a question to challenge us!

CELEBRATION

School were very pleased this week to receive a 5 star rating for food hygiene from the Food Standards Agency.

VISIT FROM PETERBOROUGH UNITED

Peterborough United Football Club visited our school this week. Each child in the school has been given a voucher to attend a forthcoming Peterborough United home league fixture. The voucher enables the child to watch for FREE and an accompanying adult can gain admission for just £10, which is a huge saving on normal match day prices. This can be used for Saturday's game with Blackpool (3pm) or an alternative fixture. To obtain your ticket, follow the simple instructions on the voucher. If you have any questions, feel free to email tickets@theposh.com and we can take you through the process if you have any problems.
