

LIME ACADEMY WATERGALL NEWS

Message from the Consultant Headteacher

Dear Parents and Carers,

What a half-term it's been! Between 'flying' trips for year 5 and national assessments for years 2 and 6, a lot has been packed in to the last 6 weeks. The maturity and dedication of all pupils, particularly our outstanding year 6, has been such a pleasure to see, and I am personally very proud of the way pupils have stepped up to the challenges put in front of them so far this year. The school is improving rapidly and I am confident that this will be reflected in this year's results.

So that we can keep this momentum going, and as we approach the half-term break, I would encourage you all to ensure that your child is reading daily at home. Research has shown that reading not only improves comprehension, but attainment in all subjects across the curriculum.

Finally, I would like to remind you all to book your slot for the upcoming parent consultations. We are again using the online system and I am pleased to say that 65% of parents have so far booked in. Those of you that haven't will need to do so shortly to get your preferred time slot.

I hope that you all have a great half-term break.

Kind regards

Mr Reynolds
Consultant Headteacher

Parentmail

After half term we will be launching Parentmail to you all. The aim will be for us to communicate with parents electronically, cutting down on printed letters that we send home. Going forward, we will also be looking to use the system to take payments for trips, school dinner and breakfast club electronically.

News from Year 6

Last week, the children worked extremely hard when completing their SATs and we are all very proud of their efforts. To celebrate this, we visited Barnwell Country Park where the children looked at the wildlife, had a picnic and explored the adventure playground. This week, the children have starting reading and rehearsing Shakespeare's Macbeth ready for the end of year production. The children are very much enjoying this and have surprised us with their acting skills!

Parentmail Launch

We are nearly ready to launch Parentmail to you all.
