

LIME ACADEMY WATERGALL NEWS

Message from the Headteacher

Dear Parents and Carers,

This week has flown past as the children have been getting into the usual routines of school. All teachers have been reinforcing the high expectations for learning behaviours this week and it has been encouraging to see so many children responding positively to this. Positive behaviour for learning is very important to us all and will enable our children to develop as lifelong learners. As part of this we are encouraging them to have high expectations of themselves as learners. It is therefore very pleasing to see so many of our children taking pride in their work. I am also very excited to see so many children enjoying the school library and listening to their thoughts on the books they are reading. We would welcome your continued support with homework and home reading as this is a crucial element of raising children's aspirations for learning. If you can encourage your child to read at home for least 20 mins every day, it will enable your child to further develop as an independent reader. I hope you all have a lovely weekend.
