## Message from the Assistant Headteacher

Dear Parents and Carers,

This week pupils have continued working on their learning behaviours to enable them to become lifelong learners inside and outside of the classroom. We have seen some excellent examples of this and class teachers will continue to build on and embed these expectations. Visitors of our school have continued to comment on how good the behaviour is so keep up the good work.

May I remind our EYFS parents and carers of the workshop that is being held on Thursday 27th September and I look forward to seeing lots of you there.

We welcome your continued support in home reading with your child as it is a gateway to their learning and understanding. I hope you have a good weekend and look forward to seeing you all on Monday.

Mr Stafford  
Assistant Headteacher

## Year 1

We have had a great start to Year 1 with lots of exciting learning going on! In science, we have started to look at seasons, months of the year and how the weather changes. Below are pictures of the children writing the months of the year, in the school playground, using chalk. They had a wonderful time with this activity and lots of fun chasing the bits of paper in the gusty wind!
