## Message from the Headteacher

Dear Parents and Carers,

It has been another busy week in school. Yesterday we held our Reception Open Day and welcomed several families into the school. The reception teachers and children did a super job of showcasing all of the hard work and energy that they put into every day in school. We have also had two sharing assemblies this week, both 6LW and 1CT shared their work for the term. It is always lovely to hear about the learning that has taken place throughout the term and both classes did a fantastic job of sharing this. Thank you to all of the parents and carers that came to support these assemblies. Our school council visited Tallington farm yesterday to choose a Christmas tree that had been donated to the school. Whilst visiting the farm, they learned about the origin of the Christmas tree, how to look after our native wildlife and the importance of looking after the environment. We are grateful to Tallington Farm for our tree and for making the visit such an informative one. We will be decorating the school this evening for Christmas and we will be putting out the Christmas post boxes in both KS1 and KS2. If your child would like to send Christmas cards, please remind them to put the first name and the class name onto the envelope. I wish you all a restful weekend.

Mrs Wood  
Headteacher

## School Council

School Council had a great afternoon yesterday at Tallington Farm choosing our school Christmas tree. We are all looking forward to seeing the tree decorated in school next week. The children learnt how to look after our environment, feeding the birds, how to find out how old a tree is and finally we got to plant a new tree to replace the one we brought back to school.
